

Star Health Insurance wins Customer Satisfaction award at the BFSI Leadership Summit Award

3rd February, 2015: Star Health And Allied Insurance Co Ltd has been adjudged the winner at the BFSI Leadership Summit Award under the nomination category '**Best Claim Settlement process**'. Star Health emerged as the winner out of a neck and neck competition between 23 nomination categories at the awards ceremony, held on 03 February, 2015. Honorable Chief Minister of Maharashtra, Devendra Fadnavis, was the esteemed chief guest of the event. The winning project was '**Prompt Attention And Utmost Customer Satisfaction**'.

The Award conferred on Star Health is in recognition of the customer-centric activities of the company, and is a validation of unremitting efforts Star Health has taken to consistently innovate and update our value-for-money product range and enhance the quality of claims servicing. This award is an independent endorsement of the company's expertise and professionalism.

Mr. R.S Nayak, Vice President and Zonal Manager, Mumbai region, who received the award said, "We are very pleased to be recognized as one of the leaders in the health insurance sectors. The awards are endorsements of Star Health's performance, dedication and capabilities. We would like to thank everybody who partnered with us and supported our commitments towards meeting expectations and delivering customer satisfaction."
